Chrome is a genetic combination of the \$165,000 multiple world champion and record holding bull, Cowboy Tuff Chex, and one of the industry's legends and best producers, Wiregrass Laura. She has a daughter over 100" TTT and multiple over 90". Chrome's full sister was 86" Total Horn before turning 3 years old. We are very pleased with the size, color, and horn growth he is putting on our calves so far. He is proving himself as a herd sire.

**Total Horn:** 91.5000 on 11/11/2023  
**TTT:** 67.5625 on 11/01/2024  
**Right Base:** 15.3750 on 11/11/2023
